ABOUT ME

I am a B.Tech Computer Science Engineering student with a strong interest in Data Science, Artificial Intelligence, and Data Analytics. I have hands-on experience with Python, data analysis libraries, SQL, Power BI, and Excel, and I am currently working on an AI-based Resume Screening and Ranking System. I am a quick learner with strong analytical thinking and problem-solving skills, eager to apply data-driven solutions to real-world challenges.

EDUCATION

Parul University 2023-Current CGPA - 7.48

Computer Science Engineering

WORK EXPERIENCE

AICTE | Shell India Markets Pvt. Ltd. | Edunet Foundation

Artificial Intelligence & Data Analytics Intern

Virtual Internship – Artificial Intelligence & Data Analytics

Skills4Future Program | July 2025 – August 2025

- Completed a 4-week virtual internship in Artificial Intelligence (AI) and Data Analytics with a focus on Green Skills and sustainable solutions.
- Applied Python-based data analysis techniques including data cleaning, data preprocessing, and exploratory data analysis (EDA) on real-world datasets.
- Gained hands-on exposure to machine learning fundamentals, including supervised and unsupervised learning concepts.
- Utilized NumPy, Pandas, and data visualization tools to analyze datasets and extract actionable insights.
- Developed understanding of AI workflows, model evaluation basics, and ethical AI practices.
- Strengthened skills in data-driven decision making, analytical thinking, and industry-oriented AI applications.

Project

Deloitte Data Analytics Virtual Experience (Forage) | May 2025

- Completed Deloitte's task-based data analytics job simulation focused on real-world business scenarios
- Performed data analysis and interpretation to extract meaningful insights from datasets
- Worked on forensic technology case scenarios involving data investigation and pattern identification
- Applied data cleaning, analytical thinking, and structured problem-solving approaches
- Presented findings in a clear, insight-driven format similar to consulting analytics reports

Certifications

- Microsoft SC-900: Microsoft Security, Compliance, and Identity Fundamentals
- Microsoft AI-900: Microsoft Azure AI Fundamentals

SKILLS

- Python (NumPy, Pandas, Matplotlib, Seaborn)
- SQL
- Power BI
- Flask
- Scikit-learn
- Excel
- OpenCV
